

SPECIALTY SCREWS BY OPTIA®

Pacific Warehouse Sales is a master distributor for Stanley Engineered Fastening, TORX PLUS® Engineered Fasteners. We have made a commitment to stock a broad range of engineered threaded fasteners designed to provide our customers with an engineered quality product line on the shelf. Made in the USA, we can provide off the shelf product or quick lead times from the factory. PWS, our word is how we do business.

TORX PLUS® Machine Screws

Materials

- Low Carbon Steel
- 302 Stainless Steel Passivated

Plating

- Zinc Trivalent Chromate
- Clear Trivalent Chromate
- The patented drive system proven to out perform **Drive System** and outlast every other drive system.

Sizes

- #0 thru 1/4"
- M1 thru M6

Head Styles

- Pan
- Flat
- Button
